

RS160

Perfect Sweats Crewneck

- 8.5 oz.
- 80% U.S. Grown Cotton/20% Polyester*
- Clean Canvas™ print technology makes these sweats ideal for direct to garment, plastisol, water-based printing, or other embellishment techniques, especially embroidery. It's heavy enough to help control puckering, registration, and needle cut and light enough that it doesn't require specialized equipment
- Ribbed collar, cuffs and waistband
- Preshrunk cotton
- Tear away label
- Classic fit
- Imported
- Available size range: S-5XL

*Charcoal heather: 50% cotton/50% polyester
light steel: 74% cotton / 26% polyester
